# LOON MOUNTAIN SKI/SNOWBOARD/ZIPLINE TRIP 2012

We are very excited to be heading back to Loon Mountain again this year. We have added a few more options for the Scouts to choose from to encourage those that do not ski or snowboard to join us on the trip this year. We have an Adventure Center Pass that includes Rock Climbing, Ice Skating, and Tubing. This option is only available for Saturday. We have also added a Zipline Adventure (Alpinezipline.com) for Sunday only. We need at least 5 people to book this trip. It originates in town, we are driven to the site, approximately 8 miles from town, and the adventure from check in to return lasts about 3 hours. Upon return, we will go back to the lodge for lunch and depart with the rest of the group. This gives each scout two options each day, Ski/Snowboard or Adventure Center on Saturday and Ski/Snowboard or Zipline on Sunday. If you have any questions about the new options, please give us a call. The Screen's- 508-543-2353.
