TROOP 7 NEWS:

Snowshoe Trip - February 27th to the 29th there were 15 scouts and 8 adults who attended. There was a fair amount of snow and perfect weather. Thanks to Dennis Mihaly, all the snowshoes that were needed were provided.

Camp Yawgoog – First payment of \$100.00 is due on March 12th along with registration form.

Troop 7 Car Wash/Yard Sale/Plant Sale/Bake Sale – Coming up on Saturday, May 8th. Please start collecting your worthwhile “collectibles” for the yard sale. Look for the sign-up sheets at an upcoming troop meeting to work a shift or shifts.

Eagle Projects – Congratulations to Craig N. on a project well done. Craig built a shelter for the ski patrol at the top of “Big Blue.” There are pictures of it on the Troop 7 web site if you haven't had a chance to get up the chair lift to see it for yourself. Garrett D. has been working hard on getting the camp sites at Greeley Pond cleaned up. Anyone who goes on the campout will have a chance to see the great job he's done.

Please check out the website www.Troop7.net for photos, updates and other troop information.
