

PHILMONT 2006

Troop 7 Parents and Scouts

Meeting Date: April 10, 2005 (This Sunday afternoon).

Time: 3 PM

Location: Bethany Congregational Church, Foxboro

The Philmont 2006 planning is underway and it is time to get together to discuss some of the Issues concerning the Philmont 2006 trip being planned. Over the past two months Troop 7 has been lucky to be the recipients of 18 slots at the council held lottery allocating the available space to go to Philmont in 2006. These slots are allocated from council as follows: 3 Adult uniformed leader slots and 15 Youth Boy Scout slots. The bad news is there are 40 eligible boys and over 14 adults that qualify for the trip. A previous letter was distributed to the boys to see if they were interested in going. As expected we have more interest than the slots allocated to us by council.

If your boy is interested in the trip please make every effort to be at this meeting.

The following items will be discussed:

- What is Philmont?
- How do we select who goes? And when will we know who goes?
- Cost issues.
- Training .
- Age, Medical and Weight Requirements for the trip.
- Questions / Answers.

I can be reached as indicated below. Please note, that this notice is being mailed only to those who are eligible to go on the trip based on a scouts age on the dates of the trip and the requirements of Philmont Scout Ranch policy.
