## Program

Fun and advancement are the most obvious features of the summer camp program. Scouts of all ages and rank enjoy Squanto's great natural facilities. Located deep in the woods of Miles Standish State Forest and adjacent to Fawn pond, camp provides opportunities for swimming, canoeing, sailing, boating, fishing, hiking, climbing, and exploring. The program centers feature riflery, archery, leatherwork and other similar activities and crafts. The camp also offers numerous merit badges for the Scouts to earn. A list of merit badges offered at Squanto will be given to the Scouts at the informational meeting held prior to camp. The Scouts at that time will be able to choose what badges they would like to participate in during camp.

## Information Booklet

The cost for 2007 is \$280 per scout. An information booklet will be available by the end of March that will provide details on medical forms, merit badges, and other pertinent camp information (what to bring, arrival and pick-up times, how to send mail, etc.).

## Registration
